PROFILE

Creative and dedicated UX design professional seeking a dynamic position in Austin, Texas. Experienced in leading design projects, collaborating with designers and developers, and creating innovative and exciting user interfaces.

EXPERIENCE

Senior UX/UI/Graphic Designer at Hometown Hero

Hometown Hero

December 2023 - Present

Designing compelling user interfaces for web and mobile applications, guiding visual brand identity direction, enhancing e-commerce user experience, improving navigation, and boosting conversion rates at Hometown Hero.

Product Designer at GoodPup/Rover

GoodPup - Rover's official training platform

March 2023 - Nov 2023

Led as the primary designer on large-scale projects, delivering solutions to enhance user-friendly platform navigation. Worked closely with a team of software engineers and product managers to develop and test interactive prototypes and design concepts.

Visual Design Intern at MathWorks

MathWorks - Creators of MATLAB & Simulink

Summer 2022

Developed strategically driven, brand focused, visual design solutions for online and offline projects. Collaborated with the visual design team to build a strong brand identity expression for MathWorks.

UX Design Intern for University Enrollment Services

Enrollment Management and Services

August 2021-May 2022

Developed engaging virtual experiences for students to explore the NCSU campus. Enhanced productivity by producing high-volume, cross-platform designs.

Graphic Design Lead at RED-i

Resources and Event Design Interactive

April 2021-May 2023

Provided creative solutions through client-centered engagement and end-to-end project management. Worked on a multidisciplinary team to craft innovative designs and concepts for organizations across the University.
